

CHARLIE KROON

SOFTWARE ENGINEER

charliekroon.dev | charlotkroon@gmail.com

I am a Full Stack Software Engineer with a background in Journalism, Writing and Social-Media Marketing. I have a special interest in finding simple solutions for complex problems.

EXPERIENCE

HackerOne

August 2021 - Present

HackerOne empowers the world to build a safer internet.

- Platform team member, where I build and maintain products and features that are related to HackerOne's Bug Bounty functionality
- As an Onboarding Buddy I am responsible for onboarding and training new employees on the company's development and product stack

Ksyos
